Classic Dust Cloths for efficient dust control at your fingertips

Advantage Scrim for reinforced performance with economy

Advantage Lite Tissue for delicate task wiping

Your Guide To Superior Industrial Wipers

for heavy-duty wiping, general purpose cleaning, dusting and light-duty task work.

Supreme Spunlace Towels

High performance reusable cloth-like towels. Superb wet strength and high absorption rate. Solvent resistant. Virtually lint, binder and contaminant free. Perfect rag replacement. Available in blue or white.

Champion Cellulose Wipers

The leading all-purpose substrate for general applications. Bonded cellulose wipers are available in premium grade or economy. Softness, ultra absorbency and wipe dry performance make Champion the #1 wipe.

Advantage Scrim Wipers

Tough, durable scrim-reinforced wipers. Tear resistant, absorbent, low linting. Wipers dry for streak free cleaning.

Advantage Lite Tissue

One ply tissue boxes & two ply centerflow rolls for light duty tasks. Non-abrasive and safe for delicate surfaces. Low linting and anti-static for sensitive areas.

Classic Dust Cloths

Mineral oil treated dusting cloths. Sturdy for rugged dusting, soft for delicate surfaces. Economical, efficient and multi-use dust control. Available in multiple grades and sizes.
