

# EXTEND YOUR PROFITS.

**O**ur new Interlock pole not only extends over windows, its sturdy construction helps them extend over years. The lightweight anodized fluted design provides added strength and better grip even when wet. No exterior locking device means your hands slide right over the pole and the internal mechanism is designed to engage and disengage with a simple 1/4 turn.

- Interlock provides a slim profile that prevents "hanging up"
- Light Weight
- Fluted Tubing provides exceptional strength and better grip
- Tapered/Threaded tip for multi-tool flexibility
